**Re: *United States v. Joshua Adam Schulte*, S2 17 Cr. 548 (PAC)**

Dear Judge Crotty:

We respectfully submit this letter in connection with the schedule relating to Counts One through Eleven of the above-referenced Indictment, which include charges related to the theft and transmission of classified information, false statements, obstruction of justice, and contempt of court (the “Espionage Trial”). The Government understands that the defendant is seeking to adjourn the Espionage Trial until January 13, 2020. Although the Government is prepared to start trial as scheduled on November 4, 2019, the Government does not oppose the defendant’s adjournment request with the understanding that the defendant will not seek another adjournment of the Espionage Trial absent exceptional and unforeseen circumstances and that the parties will follow the revised schedule set forth in Exhibit A, assuming that that schedule is acceptable to the Court.<sup>1</sup> In connection with the proposed schedule, the Government understands that defense counsel is unavailable for hearings or conferences between October 17 and 21, 2019.

The Government also respectfully requests that the Court exclude time under the Speedy Trial Act in the interests of justice through the rescheduled trial date. The bases for the adjournment are the pending motion practice and so that the parties can continue preparing for trial.

---

<sup>1</sup> The Government recognizes that the proposed schedule would necessarily change should the Court grant the defendant’s motion, filed yesterday afternoon, seeking to sever the Espionage Trial into two trials—one addressing the counts related to the WikiLeaks’ disclosures and another addressing the counts related to the disclosure of classified information from prison. As reflected in Exhibit A, the Government proposes filing its opposition to that motion by September 6, 2019.

On August 22, 2019, the Government sent defense counsel a proposed schedule in connection with an anticipated January 13, 2020 trial date. The Government subsequently revised the proposed schedule to incorporate several of defense counsel's requests, which are reflected in Exhibit A, and sent the revised schedule to defense counsel on August 26, 2019. Defense counsel has not responded to subsequent emails from the Government asking whether defense counsel consents to the revised schedule and the exclusion of time through the rescheduled trial date.

Respectfully submitted,

GEOFFREY S. BERMAN
